#### EQUIPPING FOR EVANGELISM AND WITNESSING

**KEY THOUGHT:** Whatever the important proper training, we must first be grounded in our relationship with Jesus before we can be "properly equipped" to effectively witness for our faith.

## THAT YOU MAY KNOW

### Prayer Warriors

The Prayer Warriors meet tomorrow at 10:00 a.m. in the Sanctuary. All are invited to join. *When our prayers seem not to be answered, we are to cling to the promise; for the time of answering will surely come, and we shall receive the blessing we need most - Ellen White, Steps to Christ, page 96.*

Everyone is asked to submit their requests for the Prayer Warriors during the worship service.

### Help Needed

Due to changing lives, we find ourselves with less people to call on to help lead our worship each week. To not overburden those who are serving, we would like to add a few more to our rotation. If you are willing to serve on the platform during the worship service for the Offering and Scripture Reading or you would be interested in serving as a Chorister for Sabbath School song service, please contact Nancy Weinzettel or Tom Cole.

*It has been well said that a Christianity that does not begin with the individual does not begin, but a Christianity that ends with the individual ends. This statement underscores the importance of every new believer being incorporated into the body of believers. As with witnessing and evangelism, it is also true that incorporation cannot be left to certain individuals in the fellowship. Incorporation is the responsibility of the entire church.*

### The Great Hope Project

The Great Hope project involves distribution of *The Great Hope* - an 11 chapter abridged version of *The Great Controversy* and is an initiative of the General Conference, North American Division, Pacific Press Publishing Association, and the Review & Herald Publishing Association.

Church members are asked to prayerfully read the full version of *The Great Controversy*. During this time, pray for guidance asking the Lord to lead you to individuals to whom you should distribute *The Great Hope* in order to find the people most receptive.

In June, begin distributing *The Great Hope* to family and friends throughout North America. The emphasis is on distribution to those with whom we have developed a personal relationship.
