360 features a great resource tool for Bible study called www.bibleresearch.info. Individuals can sign up for Bible studies, ask to receive DVDs featuring the Bible study, or just watch the Bible study online. The video Bible studies were created by Brian Young, assistant communication director, and feature Bible studies given by EW Dempsey, Adult Lay Evangelism Coordinator. It is exciting to see how this online Bible research tool is sharing the gospel around the world. It would be a great resource for anyone who just wants to share the good news of Jesus.
